

Sydney Collingwood Supporters Club

2015 Membership Renewal Form

As we head into our 13th year, the SCSC would like to thank you for considering rejoining SCSC for season 2015 to provide a presence in Sydney for the mighty Pies. Over the years our relationship with Collingwood has strengthened and we hope to further that relationship in 2015. Similarly, we plan to make viewing the game at the Cammy more involving for members and supporters by conducting more meat tray raffles and competitions for the big games.

For the first time in many years, our game against the Swans will be at the SCG where, unlike ANZ, seats will be at a premium but the incoming committee will still be talking to Collingwood about getting seating deals in one area for the members of our group who would like to sit together. As a result of the move, the club function will be at a venue in the Moore Park precinct. Further details will be sent to members in the new year.

The members-only tipping competition and associated competitions will again be on with new prize options.

As usual members can receive a Supporter Pack produced by Collingwood that includes a member key ring, magnet, Club sticker and an SCSC Membership card. All interstate supporter group members receive 10% off club merchandise on presentation of their unique number. Call the committee for further details.

We will again be sponsoring a Collingwood player and auctioning/giving the benefits gained from this sponsorship back to members, including tickets to the Season Launch, player sponsor's breakfast and a President's lunch.

Should you wish to buy tickets in the SCSC major raffle (only 500 tickets), please indicate below. First prize is a 2015 Pies guernsey; second prize is \$100; and third prize is \$50. Your ticket stubbs will be sent out with the newsletter or your membership. For further information, contact the committee at <http://sydneymagpies.magpies.net/>

We hope you can join us as we support the Pies in 2015.

Your details (no need to fill out if unchanged)
